TRAFFIC SAFETY
Imagine how you’d feel if a child was injured on the road near our school? School council feel this probability is imminent if the school traffic continues to double-park, allow children to run across the road or cross at unsupervised places.

Imagine how you’d feel if it was your fault?
Melbourne City Council will be invited back to our school at regular intervals to assist in developing safe traffic practises around our school, you may be fined and you certainly will be noticed.

Please consider an alternative to driving – to reduce traffic and improve safety.

WALK TO SCHOOL DAY IS MAY 23RD – WHY NOT GIVE IT A TRY?

NMPS visits “Language Vision” at the NGV

Last Friday ten Year six students from NMPS were invited by The Department of Education and Early Childhood Development (DEECD) to attend the 3rd European Languages Festival “Language Vision” at the National Gallery of Victoria

We had a special tour given by NGV Educator through the permanent collection of European art with talks directly integrating the Italian and German collection finishing with a performance in the Great Hall by performers from Italy, Spain, Germany, Greece and France.

A highlight was when we were interviewed by SBS radio. If you click on the following link you will hear us speaking with the SBS interviewer Francesca in Italian and English.

WHERE IS THE MONEY GOING? There are some extremely important activities requiring financial support at the school which the Department do not cover, especially as numbers of students are increasing at a huge rate, so all fundraising goes directly back to our school. We’ve already purchased a defibrillator, sent children experiencing disadvantage on camp, and supported the Stephanie Alexander Kitchen Garden Scheme. We will also be installing permanent spot lights for the main school exits, and portable lighting for events.

WHO DO WE NEED TO THANK? Lots of intensely hard work goes into the fete, especially if it’s an ‘express fete’ (nearly all organised in 6 weeks!). Please have a quick read of the sponsors and donors list, and if you’re passing these people and businesses, drop in and say thanks!

Big thanks to the staff from NMPS who rose to the occasion generously, communicated with parents, formed teams, shared ideas, evolved concepts, designed signage, sourced donations, and of course gave more of their own time and ran the stalls. Thanks to our cleaner Mustafa and our handyman, Rob – both of whom did a lot of prep work, and stayed late on the night and came early the next day to restore the school, to Sandra on reception for enduring the queries, and increased workload, Jean who ran floats, counted cash later into the evening and is still following up on loose ends. Every extra effort is appreciated to our professional and caring teachers and support staff at our school – you helped our students, and our community and your school enjoy a wonderful fete.

Big thanks also to those multiple contributors behind the scenes: all the extra ‘committees and working groups’ – security (Matt, Colin, Will), the School Council and Property and Grounds Committee, the finance/runner teams (Helena, Jane, Tony, Colleen and others), the preparers of the cakes, the wrappers, the bump in and bump out volunteers, the marquee donors, the signwriters (Will and Juinn!), the raffle gang (Nina, Elspeth, and Torben), the plant doners and growers, flyer distributors, photographer (Michael Fink), preserve makers and packers, lighting consultant (John Ford), every community member who ran stalls, donated time and food, and performed for our entertainment.

Finally and most importantly, thank you to the parents, carers and North Melbourne community who came – you are the reason our fete was such a success – you donated, you ran stalls, you ate, you played, you purchased, you shared the fun with your children, family and friends, and we appreciate your efforts and your contribution to our fundraising and our community event.
“THANK YOU” TO THESE LOCAL PEOPLE & BUSINESSES FOR THEIR DONATIONS & SPONSORSHIP OF THE 2014 TWILIGHT FETE NMPS

*Please think about thanking & supporting these people & businesses who have supported our fete when you are out & about.

So many people at the school having a great time - fantastic school community event.
Looking forward to the next one.
Twilight is fun. The earlier in the year the better, to minimise the possibility of rain
The curry ran out too soon.
My child loved the rides! The bouncy house line was too long for me to bear though...
Hair colour tent was big hit with my son; nail tent was great for my daughter. Photo booth was also enjoyed and now have a souvenir.
Angry Birds stall was really good!!

Some quotes from our 68 survey responses...

THANK YOU TO EVERYONE WHO CONTRIBUTED TO OUR EVALUATION OF THE FETE...

Be assured, all comments are appreciated & will assist our planning & running of future events.

Love all the activity stalls, especially Henna.
Did coloured hair and kids yoga, enjoyed the band and rides
Water pistol ping pong was a ripper!
I was really impressed with how the students actively participated in the running of the stalls
Loved the zombie tent, a welcome change from princesses, butterflies etc. Kids loved the sponge toss.
I think Side Show Alley gave the fete an extra dimension of participation - not just rides, not just buying stuff - it brought people together to DO stuff.
Books were the best
Cakes, Amazing! Great prices, great choice, great parents behind the stall.
Our boys are still Kung fu fighting each other.... We loved the band!
Every year please…

Is your child not attending aftercare? Don’t forget to let Biz – E – Kidz know!
At times families who have a permanent aftercare booking don’t require it due to their child being away from school or going to a friend’s house or other last minute changes to plans. When a child has an after school care booking, but does not show up, Biz – E – Kidz is legally obliged to locate the child to ensure their safety. This is a time consuming process that can be prevented by notifying Biz – E – Kidz of the child’s absence. This can be done by phoning 9329 5529 and leaving a voice mail. Please remember; children and other parents are not allowed to cancel your child, nor is it the school or teachers responsibility to inform Biz – E – Kidz of a child’s absence from school. Thank you.
