Technology Home Agreement

I, [redacted], agree at home I am to:

- Look after any technology, mine or otherwise and be responsible of any damage or accidents, whether it is on my person or not.
- This agreement is for Ipads, Kindles, computers and televisions.
- Only use technology in the living area (downstairs) or in the study.
- Only spend a maximum of 35min (on technology) on weekdays and 1 hour on weekends.
- Ask before I use any form of technology.
- Tell a parent what I'm going to do on technology before I start.
- Only use appropriate websites and games (for my age).
- Be responsible for passwords and don't leave them hanging around.
- Acknowledge that my parents have the right to stop me or say no from using technology.
- Acknowledge that my parents have the right to monitor my use on technology and what I'm doing.
- Accept consequences and punishments when I have not been using technology appropriately.
